

## Institute Closes Saturday Examinations, Final

The Lincoln County Teachers' Institute which has been in session for the past ten days will close Saturday. Much has been accomplished by this educational body that does not at this time appear on the surface, but the fruits of its endeavors will be made manifest during the coming school term and beyond. Much credit is due County Superintendent of Schools, Mrs. M. L. Blaney, who is also President of the Institute, for her wisdom in engineering the affairs of that body and in the selection of the able talent which formed the balance of the faculty to conduct the same.

A standing invitation has been open to the public to attend the sessions and those who have failed to avail themselves of this opportunity have failed to do justice both to themselves and to the teachers who have so faithfully attended. In educational matters as well as in other callings, things new and decidedly important are continually being advanced which facilities in institutes impart to the attending teachers who in turn impart the same to their pupils. This is one of the main objects of the institute and one of which the public in a large measure fails to consider. Lincoln county will have a splendid array of teachers for the coming term and the advancement along educational lines will be marked with a decided increase.

The program Thursday morning which closed the exercises of the institute, proper, was as follows:

Song by the teachers.  
Reading, Mrs. Burleson.  
Vocal solo, Mr. D. N. Pope.  
Reading of her own poems, Mrs. Florence Bartlett.  
Limericks.  
Songs by the teachers.  
Reading, Mrs. Clarke.  
Song, Miss Ula Edmiston.  
Talk, Mrs. M. L. Blaney.  
Piano solo, Mrs. J. H. Mims.  
Resolutions, Mr. McCollister.

NOTES  
The examinations for the 8th grade and Reading Circle work will be held Friday and Saturday.

E. M. Brickley, of the First National Bank and also member of the Board of Education, gave an interesting talk to the Institute one day this week, his subject being "Banking," which was highly instructive and much appreciated by faculty and teachers.

Rev. A. C. Douglas also addressed the Institute, his subject being "Preparation of Teachers for Community Work" in which he gave his hearers some good and timely advice which will prove greatly beneficial to teachers in the future.

The teachers attended the Nogal Picnic Saturday as guests of President, Mrs. M. L. Blaney.

Miss Josephine Stetson of Ruidoso, who came here to attend the Institute was taken ill and has since been operated on successfully for appendicitis. It is unfortunate that Miss Stetson should meet with a reverse at this particular time, but we congratulate her on her road to recovery.

## Bryan Says 'Heart Is in Grave With Cause'

San Francisco, July 8.—My heart is in the grave with our cause and I must pause until it comes back to me," said William J. Bryan today in giving his reason for not making any extended statement on the work of the Democratic national convention.

"My views on the convention's action in reference to the endorsement of prohibition are known," said Mr. Bryan, "I regard it as a very serious mistake. It opened the door to the nomination of a wet candidate. I need not repeat here what I have said before in regard to the evasion of other issues."

## Supulver Pardoned Was Wrongfully Held, Governor Says

(Santa Fe, New Mexican)

George W. Supulver, sentenced in the district court for Grant county to serve from three to five years on four charges, was pardoned late yesterday afternoon by Governor Larrazolo, who stated he believed a mistake was made in the conviction of the man.

He received a petition from a great number of prominent citizens, the governor stated, asking that he show clemency for the prisoner and saying that his reputation had always been good. The governor said he believed the conviction of Supulver was wrongfully obtained and that he was innocent of the charges against him and for that reason granted him a full pardon.

## The Hanner Families Locate

Mr. and Mrs. Hanner arrived at their home in White Oaks Saturday and found Mr. and Mrs. E. M. Hanner who had arrived one day previous coming from Mt. Vernon, Ind. They traveled the entire distance by truck carrying everything needed for the journey. They report the greatest trip of their lives and are very much in love with our locality and will possibly make this place their future home.

Mrs. H. S. Hanner is delighted with her little stone house in the mountains. This is her first trip to White Oaks and wishes to live in the birthplace of "Heart's Desire" for the balance of her life. Other relatives are expected soon.

## Commissioners Meet

The Honorable Board of County Commissioners met Monday and on account of holiday observance adjourned until Tuesday, when work of the past quarter was taken up. Considerable business was transacted, but due to the fact that they finished so late in the week, the proceedings will not appear in the Outlook until next week.

Ernest Prehm, of Ziegler Brothers General Store, left Thursday on No. 4 for Joplin, Mo., where he will spend about one week with relatives and friends.

## Carrizozo With Flood Last Friday

Sometime between the hours of 2 and 4 last Friday afternoon, the Great Water Spirit waved his magic wand over Nogal, and the precious fluid came down in the form of a "water spout." Some authorities claim that the cloud gathered above water canyon and floated on until it reached the Nogal peak, when it seemed to explode in every direction. This explanation would seem the most plausible, for water came down the mountain side completely immersing the east side, and on through Carrizozo to the Mal Pais, at a terrific rate of speed.

The flood filled the principal streets of the town, many cellars having to be bailed out after it subsided. This was an unusual sight to people of our desert locality as heretofore, we have only had glimpses of wonderful rains in the adjoining mountains or on the screen at the Crystal Theatre. The boys were quick to take advantage of the water; hustling on their rompers, they waded and swam about as though in a permanent lake or river. It was certainly fine and we are waiting for the next one.

## Fire at the Tailor Shop

Tuesday evening about 9 o'clock fire was discovered at the tailor shop of V. S. Honsberger on Viamogordo avenue. Mr. Honsberger, being at home at the time, the parties who made the discovery forced the front door and soon had the fire under control. The proprietor, in company with his wife, had left the shop at about 8 o'clock, leaving all doors securely locked, but the first ones to enter the building state that the door leading to the drying room was wide open. This would indicate that some one with a knowledge of the surroundings had been in the house after the owner had departed. Fortunately for Mr. Honsberger, the fire was discovered when it was, for had it been 15 minutes later, the entire building would have been afire. As it was, only a few suits were damaged, they being in the drying room at the time of the fire.

## Probate Court Matters

Judge Kimbrell opened Probate Court Monday, but most of the budget contained cases of a minor nature which being dispensed with on short order the court finished its labors Wednesday, the Judge returning to Pecos on Thursday.

## Sells Wool and Weathers

Henry Lutz & Son of the Ancho Rambouillet Sheep Ranch have shipped 100,000 pounds of wool to a certain Boston dealer. The wool is of an exceptional good variety and brings a nice price. The firm has sold 700 weathers to a firm in Roswell which will soon be delivered.

Mrs. B. J. McCarty and children are spending the heated period of the season in Cloudcroft with the hope that the coolness of that resort will be beneficial to the baby, who has been quite ill of late.

## Cox Nominated On 44th Ballot

Auditorium, San Francisco, July 6.—James M. Cox, governor of Ohio, was nominated for president of the United States in the Democratic national convention on the 44th ballot at 1:40 o'clock this morning. The nomination came at the conclusion of a 44 ballot struggle in which he had steadily beaten down the forces of Wm. G. McAdoo.

When the balloting on the 44th vote had gotten to a point where Cox had 702 votes and was rapidly approaching the necessary two thirds or 729, Sam B. Amidon, of Kansas, manager of the McAdoo forces and vice chairman of the Democratic national committee, took the platform and moved that the nomination be made unanimous.

## The Corona Celebration

Fully 2,500 people gathered at Corona, July 3, to take part in the big celebration and they were not disappointed. Everything that had been so carefully arranged was carried out to the letter. The big barbecue furnished plenty of fine meat for crowds and the horse racing, goat roping together with other means of sport on the program kept the good natured people busy with entertainment. A five-piece orchestra from El Paso furnished music for the dancing which continued from 9 in the evening to 2 in the morning. The management is deserving of much praise for the successful outcome of the celebration as evidenced by the unanimous verdict of all present. The hospitality extended to guests, will insure Corona a larger attendance on future occasions of this nature.

## Maurice Lemon Injured

Little Maurice Lemon suffered the injury of a sprained ankle Saturday at the Nogal picnic. Some visitor had tied his horse to the limb of a tree near the dance platform and the horse became frightened, and in making a plunge, the limb broke, falling directly on the boy. As it pinned him down, his foot reeled and he fell spraining his ankle. Luckily, the U. S. Hospital corps was on the ground and the injured boy was promptly attended to, but we are glad to say the injury was not serious and he able to be at his play again.

## Dined at The "Oaks"

Mrs. Bartlett, conductor of the Teachers' Institute, Mrs. M. L. Blaney, County School Supt., Professor Pope of Roswell, and E. M. Brickley of the Board of Education, dined at the hotel in White Oaks, Wednesday evening, returning to Carrizozo at 9:30.

## Died at Mountainair

Word was received last Sunday by Mrs. E. S. Corn, that the infant son of Henry Corn in Mountainair had died at 10:30 that morning. Mr. Corn being absent from the city, Mr. Jake Caldwell motored the family over to Mountainair where they attended the funeral on Monday.

BORN—To Mr. and Mrs. Millard Eckford on June 29, a boy. Mother and son are doing nicely.

## Nogal Celebration Terminates Successfully

Saturday, July 3 being the day set aside for the big Community Picnic at Nogal, the place arranged for the event was filled to overflowing with people who enjoyed themselves throughout the day in various ways. The big barbecue was the center of attraction at the noon hour and the juicy meat was served to all present, leaving a nice supply in reserve for those who might come later in the day.

The ladies' ball driving contest was won by Mrs. Sears Crockett and the gents' contest by Jesse May. The boys' pony race was won by Wayne Brazel, the cow pony race by James Cooper, Jr., and the horse race by Marshal West.

In the goat raffle the following named gentlemen "got their goats": Robert Hurt, G. A. Titworth, C. A. Snow, Geo. L. Ulrich, J. A. Brubaker, Carter Fisher, Joe Finley, Lloyd Taylor, Harry Norman, James Robinson. Those mentioned were holders of numbers which were drawn from a hat by a blind-folded boy. The goat roping contest resulted as follows: Luke Anderson, no time; Joe Finley, 14 3-4 seconds; S. A. Price, 34 seconds; Leslie Harmon (for Will Owen,) no time; E. O. Finley, 16 seconds; Tip Frazier, 27 seconds; Carl Arnold, 31 seconds; Perry Townsend, 30 seconds; Ed Fitzpatrick, no time; Douglas Caine, 16 seconds; Leslie Harmon, no time; O. Z. Finley, no time.

In the base ball game that followed, Carrizozo far outclassed the El Paso team that there was no mistaking the outcome of the same from the start. Harry Norman struck out 16 men, the game resulting in a score of 7 to 0. The crowd that numbered near to the 3,000 mark never for a moment wanted for amusement; Ferguson's "Joy Makers" delighted the dancers with catchy dance music, the afternoon and evening being taken up with this form of pleasure between the lulls of other attractions. Much credit is due the committees for their hard work in order to make the event successful. The affair closed about 10 o'clock when the tired but happy crowds left for their respective homes.

## New Mexicans Indeed

Mrs. M. A. Readel, mother of C. J. and Miss Elizabeth Readel of the Robidoux Cafe, came in the latter part of last week from St. Joseph, Mo., to make her home in Carrizozo. Miss Dorin, sister of Mrs. Readel, has returned to St. Joseph, to make arrangements for shipping the household effects of the family to this point so that they will soon be established and become New Mexicans, indeed.

Mr. and Mrs. L. H. Claunch left for their home in El Paso Tuesday, after about two months of stay at Pueblo Pardo ranch with the children, Mr. and Mrs. Floyd and Jefferson Claunch.
